b. Immediately before the Structured Interview, the panel members will require the applicant to submit a handwritten narrative stating “Why I Want to be an Army Officer.” The purpose of this narrative is to give the interviewers a chance to evaluate the applicant’s writing and ability to express a desire to serve as a commissioned officer. Applicant has 1 hour to complete the Essay. Use of lined paper is encouraged.

c. A panel of three commissioned officers will conduct the Structured Interview. Panel president must hold the grade of O4 (MAJ) or above, while the remaining 2 panel members hold the grade of O3 (CPT) or above. Warrant officers and officers in grade O1/O2 and O2(P) may not be interviewers.

e. Interviewers may be given the Soldier’s OCS packet for review no more than one day prior to the Structured Interview. Packets will remain in control of the MPD/DHR or BDE S1 and will not be distributed. The OCS application packet is to be considered sensitive and confidential, as it contains personally identifiable information.
f. Interviewers will not contact the Soldier’s unit, nor will they contact individuals with personal knowledge of the Soldier.

g. Structured Interview results may not be given to the Soldier once the interview has been completed.

h. Soldiers not recommended by the panel majority will have their packet, minus the DA Form 6285, returned. At no time, regardless of recommendation, will the DA Form 6285 be given to the Soldier.

k. Each interviewer will place their signature block and sign and date the DA Form 6285 on page 16. Each interviewer will make a statement of one or two paragraphs in length, either on DA Form 6285, page 16, or they may submit a typed statement in lieu of comments on DA Form 6285, page 16; statements must be legible. Separate statements must be in memo format. Packets received from Interviewers without comments, as noted in this paragraph, will be returned for comments.
